

COMMONWEALTH OF PENNSYLVANIA
OFFICE OF THE GOVERNOR
HARRISBURG

THE GOVERNOR

GREETINGS:

It is my honor to join with World T. E. A. M. Sports in celebrating April 30, 2017, as Face of America Day in Pennsylvania.

Since the infancy of the United States, the fundamental rights of life, liberty, and the pursuit of happiness have been courageously protected by those Americans willing to serve in the armed forces. The sacrifice and courage of veterans and their families reflect the highest ideals of the commonwealth. World T. E. A. M. Sports' mission of inclusion through sports has left an indelible impact on our commonwealth, opening the doors for all to participate. This multi-day ride will not only provide awareness and assistance for military veterans that were injured or disabled while serving their country, but also prove that those with disabilities can compete and accomplish exceptional feats. I applaud the dedication of those included in this ride, and it is my hope that the legacy of this event will continue to inspire others for years to come.

As Governor, and on behalf of all citizens of the Commonwealth of Pennsylvania, I extend my gratitude to our veterans for their service and I am honored to recognize April 30, 2017, as Face of America Day. Please accept my best wishes for a memorable event and continued success.
